INVESTIGATION REPORTS COVERING THE PERIOD FROM 1ST OCTOBER 2025 TO 31ST DECEMBER 2025.

1. EACC/FI/INQ/48/2023

Inquiry into Allegations of Embezzlement of Public Funds and Conflict of Interest against the Former Legal Advisor to the Governor of the County Government of Kajiado Between Financial Years 2013/2014-2023/24.

The Commission received a report on allegations of embezzlement of funds and conflict of interest against the Legal Advisor to the Governor of the County Government of Kajiado between financial years 2013/2014-2023/24. It was further alleged that the embezzlement of public funds and the conflict of interest was perpetrated through award of tenders to four companies associated with the Governor's Legal Advisor.

Investigations established that the four companies associated with the Governor's Legal Advisor were Citizen Suppliers & Contractors Limited, Top-Spot Suppliers & Contractors Limited, Span Production Limited, and Faircon General Equipment. The directors of the four companies were the Governor's Legal Advisor's husband and children, revealing the indirect private interest held in the four companies. The four companies traded with the County Government of Kajiado and were awarded tenders. Investigations revealed that the Governor's Legal Advisor failed to declare her conflict of interest in the award of tenders to the four companies. Cumulatively, the four companies were unlawfully paid KSh. 462,909,698.95.

On 1st October, 2025, a report was forwarded to the Director of Public Prosecutions (DPP) with recommendations to charge the Governor's Legal Advisor and the directors of the companies with the following charges:

- (i) Conflict of interest contrary to section 42(3) as read with section 48 of the Anti-Corruption and Economic Crimes Act, 2003 (ACECA).
- (ii) Unlawful acquisition of public property contrary to section 45(1) (a) as read with section 48 of ACECA.
- (iii) Failure to disclose private interest to one's Principal contrary to section 42 (1) of ACECA.
- (iv) Acquisition of proceeds of crime contrary to section 4 as read with section 16 (1) of the Proceeds of Crime and Anti-Money Laundering Act, 2009.

The DPP returned the inquiry file on 30th January, 2026 with recommendation for further investigations.

2. EACC/MSA/FI/INQ/16/2015

Inquiry into Allegation of Irregular Tender Award for Tender No. KCG/312/2014/2015 for the Construction of 9.5 Km Mwawesa Water Project in Mwawesa Ward, Rabai Sub-County at KSh. 21,000,000.00

The Commission received a complaint of the irregular tender award by officers of the County Government of Kilifi. The tender for the construction of a five-kilometer Mwawesa Water Project was awarded to Stockman Limited at KSh. 21,000,000.00. The County Government of Kilifi officers allegedly received bribes to influence the award of the tender to Stockman Limited.

Investigations established that eighteen bidders expressed interest in this tender. That the tendering process adhered to the procedure set out in the Public Procurement and Assets Disposal Act, 2015. However, the tender contract was not signed due to bribery complaints raised by the unsuccessful bidders.

Further investigations established that one of the directors of Stockman Limited had offered a bribe of KSh. 3 million to the then Chief Officer for Education, Sports and Youth at the County Government of Kilifi to influence the award of the tender to Stockman Limited. The said Chief Officer had received a bribe of KSh. 2.4 million from the Director of Stockman Limited.

On 14th November, 2025, a report was compiled and forwarded to the DPP with recommendations to charge the then Ag. Head of Procurement, the Chief Officer Education, Sports and Youth, the Director of Stockman Limited, and the company with the following charges.

- (i) Conspiracy to commit an offense of economic crime contrary to section 47A (3) as read with section 48 (1) of the Anti-Corruption and Economic Crimes Act, 2003 (ACECA).
- (ii) Inappropriate influence on evaluation contrary to section 38(1)(b) as read with section 38(2) of the Public Procurement and Assets Disposal Act, 2015.
- (iii) Abuse of office contrary to section 46 as read with section 48(1) of the ACECA.
- (iv) Giving a benefit to influence a public officer contrary to section 39(3)(b) as read with section 48(1) of the ACECA.
- (v) Receiving a benefit to influence a public function contrary to section 39(3) (a) as read with section 48(1) of the ACECA.

The Commission is awaiting the DPP's response.

3. EACC/NYR/FI/INQ/4A/2023

Inquiry into Allegations of Conflict of Interest against the Member of County Assembly of Nyeri for the Dedan Kimathi Ward in the Award of Tenders to Sankara Services Limited.

The Commission received a complaint that the Dedan Kimathi Ward Member of County Assembly influenced the award of tenders to Sankara Services Limited, a company associated with him. The tenders were allegedly awarded on diverse dates between 6th July 2018 and 8th March, 2023.

Investigations established that following an advertisement for prequalification of service providers, Sankara Services Limited was prequalified for supply and delivery of electrical fittings, road works and bridged construction and hydro-geological survey services for the period 2020 to 2022. For the period 2022 to 2024, Sankara Services Limited was prequalified for registration of high mast and solar streetlights, building works, road works and bridge construction. Seven tenders were awarded to Sankara Services Limited between 2020 and 2024. Four of the tenders were carried out within Dedan Kimathi Ward and Sankara Services Limited was paid KSh. 2,650,020.00.

Further investigations established that the Director of Sankara Services Limited was a spouse to the Dedan Kimathi Ward Member of County Assembly. Sankara Services Limited was not registered with the National Construction Authority hence the Certificate of Registration No. 62227 dated 9th August 2022 was a forgery. Six of the tender contracts were not signed within the stipulated time contrary to section 135(3) of the Public Procurement and Asset Disposal Act, 2015.

On 14th November, 2025, a report was compiled and forwarded to the DPP with recommendations to charge Dedan Kimathi Ward Member of County Assembly, the Director of Sankara Services Limited and the company with the following charges:

- (i) Knowingly holding a direct private interest in a contract connected with a public body contrary to section 42(3) as read

with section 48 of the Anti-Corruption and Economic Crimes Act, 2003 (ACECA).

- (ii) Fraudulent acquisition of public property contrary to section 45(1) as read with section 48 of the ACECA, 2003.
- (iii) Fraudulent practice in a procurement process contrary to section 66 (1) as read with section 177 of the Public Procurement and Assets Disposal Act, 2015.
- (iv) Carrying on the business of a contractor without a valid registration from the National Construction Authority Board contrary to section 15(1) as read with section 15 (3) of the National Construction Authority Act (No. 41 of 2011).

The Commission is awaiting the DPP's response.

4. EACC/NYR/FI/INQ/4C/2023

Inquiry into Allegations of Abuse of Office, Conflict of Interest and Procurement Irregularities against the Mahiga Ward Member of Nyeri County Assembly

The Commission received a complaint that the Mahiga Ward Member of the County Assembly influenced the award of tenders to four companies associated with him. The four companies are Kathys Premier Investment Limited, Mawalidah Company Limited, Cecwama Company Limited, and Mogaciko Suppliers Limited.

Investigations established that three of the companies were awarded a tender each. Cecwama Company Limited was awarded two tenders. Cumulatively, the four companies were paid KSh. 12,136,422.50. Investigations established that the Mahiga Ward Member of County Assembly was a Director and bank account signatory for Kathys Premier Investments Limited, which was paid KSh. 2,993,670.00.

On 14th November, 2025, a report was compiled and forwarded to the DPP with recommendations to charge the Mahiga Ward Member of County Assembly and Kathys Premier Investment Limited with the following charges:

- i. Conflict of interest contrary to section 42(3) as read with section 48 of the Anti-Corruption and Economic Crimes Act, 2003 (ACECA).
- ii. Fraudulent acquisition of public property contrary to section 45(1) (a) as read with section 48 of the ACECA, 2003.

The DPP returned the inquiry file on 16th January, 2026 with recommendation for further investigations.

5. EACC/NYR/FI/INQ/12/2023

Inquiry into Allegations of Engaging in Procurement Without Prior Planning against Officers of the County Government of Laikipia

The Commission received a complaint that the County Government of Laikipia had engaged in procurement without prior planning. The projects in question were carried out through an infrastructure bond. The projects were incorporated into the County's Integrated Development Plan 2018-2022 as Smart Town and Water Production Initiative estimated to cost KSh. 1,247,627,355.00. The bond was 1.16 billion, the balance was to be catered for by County own source revenue. These projects were approved by the County Assembly of Laikipia through the Appropriation Act on 31st August, 2021. The projects were re-allocated from the Department of Roads, Public Works, Lands and Energy to the Department of Finance and Economic Planning.

Investigations established that the County Government of Laikipia followed the laid down procedures to obtain the guarantee for the infrastructure bond. The process stalled in the final stage when Parliament adjourned sine die before authority to issue the guarantee was granted. The County Government of Laikipia went ahead and initiated the procurement process without the approval of the issuance of the guarantee by Parliament. Twenty-two tenders were advertised. Procurement ensued and the twenty-two tenders were cumulatively awarded at KSh. 1,131,589,916.25.

Further investigations established that out of the twenty-two tenders awarded to contractors, eleven contractors had begun construction work and were owed KSh. 86,503,176/= for the work done. In addition, the consultants of the eleven tenders were owed KSh. 12,464,073. The total amount owed by the County Government

of Laikipia was KSh. 98,967,249.00. The County Government of Laikipia has not paid any of the contractors. Two of the contractors have initiated the arbitration process.

On 21st November, 2025, a report was compiled and forwarded to the DPP with recommendations to charge the Chief Officer for Finance and Economic Planning with the following charges:

- i. Engaging in a project without prior planning contrary to section 45 (2) (c) as read with section 48 of the Anti-Corruption and Economic Crimes Act, 2003 (ACECA).
- ii. Willful failure to comply with the law and applicable procedures and guidelines relating to incurring expenditure contrary to section 45(2) (b) as read with section 48 of the ACECA, 2003.

The Commission is awaiting the DPP's response.

6. EACC/NYR/FI/INQ/04B/2023

Inquiry into Allegation of Abuse of Office and Conflict of Interest against the Nyeri County Assembly Member for Wamagana Ward

The Commission received a report that the Wamagana Ward Member for County Assembly of Nyeri influenced the award of tenders to Finish Line Limited Company, Ferwa Company Limited, Iremmawa Company Limited and Lumuthie Suppliers Limited. The tenders were awarded in the financial years 2018/2019 to 2022/2023.

Investigations established that the four companies were awarded eight tenders for the period under investigation. The procurement process adhered to the procedures set in the Public Procurement and Asset Disposal Act, 2015. The tender works were dutifully executed. The four companies were cumulatively paid KSh. 16,974,163.70 for the work done. However, evidence on record confirmed that the NCA registration certificate submitted by Ferwa Company Limited was a forgery.

Further investigations established that the director of the four companies is a spouse to the Wamagana Ward MCA. She is a co-director alongside Justus Kirugo Thang'a in Iremmawa Company Limited. This evidence verified the conflict of interest and abuse of office allegations against the MCA.

On 14th November, 2025, a report was compiled and forwarded to the DPP with recommendations to charge the Wamagana Ward Member of County Assembly, the Directors of four companies and the companies with the following charges:

- i. Knowingly holding a direct private interest in a contract connected with a public body contrary to section 42(3) as read with section 48 of the Anti-Corruption and Economic Crimes Act, 2003 (ACECA).
- ii. Fraudulent practice in a procurement process contrary to section 66 (1) as read with section 177 of the Public Procurement and Assets Disposal Act, 2015.
- iii. Uttering false documents contrary to section 353 of the Penal Code.
- iv. Fraudulent acquisition of public property contrary to section 45(1) (a) as read with section 48 of the ACECA, 2003.

The Commission is awaiting DPP's response.

7. EACC/FI/INQ/30/2024

Inquiry into Allegations of Abuse of Office and Embezzlement of Public Funds at the County Government of Garissa Through Irregular Recruitment and Payment of Salaries to Non- Existing Employees

The Commission received a complaint that the County Government of Garissa had irregularly added employees into the payroll between September, 2022 and June, 2024.

Investigations established that the County Government of Garissa wage bill in the year 2022 was at 60% of the total revenue. The allowed wage bill is 35% of the total revenue. A human resource audit was carried out with the assistance of the State Department for Public Service. The human resource audit established that 1239 employees did not have personnel files. However, Garissa County Government removed 1315 employees from the payroll, this number included casual workers, 1054 of the people removed from the payroll filed an Employment and Labour Suit No. E205/2022. Consequently, the court ordered the State Department for Public Service to carry out another human resource audit. This second audit reviewed that out of the 1239

confirmed not to have personnel files, only one of them had a personal file.

Further investigations established that for the period under investigations, 412 employees were added into the payroll and 1731 were removed from the payroll. That out of the 1239 employees, 38 had employment letters and no proof of recruitment. The letters were issued by different officers at the Garissa County Government. Further, 321 of the 1239 had been added into the payroll through the GHRIS –UPN. The system did not generate an audit trail for the issuance of numbers to 237 employees. The system generated a trail for 84 employees, 38 of whom the trail did not indicate the Requester, Verifier and Submitter. The GHRIS –UPN system indicated the Requester, Verifier and Submitter of only 42 employees.

All the employees irregularly added into the payroll cumulatively earned KSh. 731,267,863.40 in salaries.

On 17th December, 2025, a report was compiled and forwarded to the DPP with recommendations to charge the County Government of Garissa officers who were involved in the irregular recruitment with the following charges:

- i. Abuse of office contrary to section 46 as read with section 48 of the Anti-Corruption and Economic Crimes Act, 2003 (ACECA).
- ii. Financial Misconduct contrary to section 197(1) (i) as read with section 199 of the Public Finance Management Act, 2012.
- iii. Unlawful damage of public property contrary to section 45(1) (c) as read with section 48 of the ACECA.

The DPP returned the inquiry file on 9th February, 2026 with recommendation for further investigations.

The Commission received a complaint that the County Government of Nakuru Department of Youth Sports, Gender, Social Services, and Inclusivity (the Department) had purchased substandard sports kits and equipment. In addition, each of the 55 wards was allocated KSh. 500,000 for organizing youth sports tournaments and the same could not be accounted for.

Inquiry into Allegations of Irregular Payment of Allowances by a Kenya Rural Road Authority Resident Engineer in the Contract No. Rwc 164 for the Upgrading of Embu Hospital-Kathangari – Kianjokoma - Kanja-Runyenyjes - Siakago Road during the Financial Years 2016/2017-2022/2023

The Commission commenced an investigation into allegations of misappropriation of public funds by a Resident Engineer employed by the Kenya Rural Road Authority (KeRRA), through payment of allowances during the implementing period for contract no. RWC 164. The tender was awarded to S.S. Mehta and Sons Limited at a cost of KSh. 3,137,121,765 during the FY 2016/2017-2019/2022.

Investigation established that the contract provided for items to be catered for by the contractor, which included accommodation, Resident Engineer's miscellaneous, attendance upon Resident Engineer's staff, and overtime. The Resident Engineer issued a site instruction note to the contractor to process the payment every end month. The payments were made through KCB account number 1203728107, which was a project account in the name of the Resident Engineer. Between December, 2016 and August, 2023, the contractor paid a total of KSh. 86,455,356 to cater for the aforementioned expenses.

Investigation established that since the contract entered into by the Engineer was covered by the rules within the contract, it would not be proper to construe the payments as unlawful. However, from the contract, it was established that the Resident Engineer enhanced his accommodation allowance from KSh. 65,000/= to KSh. 128,000/= monthly, leading to an overpayment of KSh. 2,585,000/=, which was contrary to the provisions of the contract.

On 17th December, 2025, a report was compiled and forwarded to the DPP with recommendations that:

- i. The inquiry file be closed.
- ii. The Commission institutes recovery proceedings for the KSh. 2,585,000/= over payment made to the Resident Engineer.
- iii. An advisory to KeRRA in relation to contracts that provide for several allowances that are already compensated for through payments of salary, which can be interpreted as double compensation.

The Commission received a report that the Kirinyaga East Sub - County Cooperative Officer and the Ag.
