THE ANTI-CORRUPTION AND ECONOMIC CRIMES ACT, 2003

THE ETHICS AND ANTI-CORRUPTION
COMMISSION ACT, 2011

ETHICS AND ANTI-CORRUPTION COMMISSION

THE 3RD QUARTERLY REPORT COVERING THE PERIOD FROM 1ST
JULY 2023 TO 30TH SEPTEMBER 2023

Preamble

The Ethics and Anti-Corruption Commission (the Commission) is required under section 36 of the Anti-Corruption and Economic Crimes Act, 2003 (ACECA), to prepare quarterly reports setting out the number of reports made to the Director of Public Prosecutions (DPP) under section 35 of the ACECA, 2003 as read with section 11 (1) (d) of the Ethics and Anti-Corruption Commission Act, 2011, (EACCA).

Section 36 of ACECA provides that:

1. The Commission shall prepare quarterly reports setting out the number of reports made to the DPP under section 35 and such other statistical information relating to those reports, as the Commission considers appropriate.

2. A quarterly report shall indicate if a recommendation of the Commission to prosecute a person for corruption or economic crime was accepted or not accepted.

3. The Commission shall give a copy of each quarterly report to the Attorney-General.

4. The Attorney-General shall lay a copy of each quarterly report before the National Assembly.

5. The Commission shall cause each quarterly report to be published in the Gazette.

This report is therefore made pursuant to section 36 of ACECA. The report covers the Third Quarter and is for the period commencing 1st July, 2023 to 30th September, 2023.

INVESTIGATION REPORTS COVERING THE PERIOD FROM 1ST JULY, 2023 TO 30TH SEPTEMBER, 2023

1. EACC/FI/INQ/45/2022

Inquiry into Allegation of Corruption and Embezzlement of Funds Amounting to KSh. 50,000,000/= by Uasin Gishu County Government Officials in Management of Uasin Gishu Overseas Education Trust Scholarship Fund a Program Meant to Fully Sponsor Students to Further their Studies in Finland between 2021 and 2022.

Investigations commenced following a complaint received by the Commission (EACC) on 24th October, 2022 that the former Governor of Uasin Gishu and other County officials abused office and accumulated unexplained wealth through operation of a student overseas account. The money in the overseas account was deposited by parents who were desirous of having their children study in Finland.

Evidence established that in the year 2019, former Governor of Uasin Gishu was introduced to overseas education opportunities by the Cornelius Kiplagat, director Max Global, who also introduced him to Tampere University officials. After deliberations, the two teams (the team comprising of former Governor of Uasin Gishu and other County Officials as well as the officials of Tampere University of Applied Sciences) signed a memorandum of understanding to work together to foster cooperation in education and cultural activities. Subsequently, Chief Officer for Youth Affairs Gender and Sports formed a secretariat to facilitate the registration of the trust to run the overseas education programme.

Evidence further established that bank accounts for Uasin Gishu County Overseas education were opened. Account opening forms as well as signatures of the account signatories were forgeries.

Thereafter, the County advertised for scholarships where the applicants were required to pay KSh. 9,000/= examination fees to allow them undertake entry exams. The parents of successful applicants were advised to pay varied amounts depending on the applicants courses. Cumulatively, the parents deposited KSh. 1,151,586,973.11

Investigations reveal that KSh. 284,436,114.00 was paid to Universities in Finland and Canada ; KSh. 315,996,146.35 was paid to foreign agencies while KSh. 50,713,939.50 was paid to local agencies. Bank charges and student visas costed KSh. 308,923,702.85 and KSh. 74,264,489.00 was withdrawn in cash.

Investigations also revealed that Chief Officer for Youth Affairs Gender and Sports as well as Deputy Director, County Education Revolving Funds, Youth Affairs and Sports Department conspired to swindle the funds as the money withdrawn by them was not put to the intended use.

On 25th September, 2023 a report was compiled and forwarded to the DPP with recommendations to charge the former Governor for Uasin Gishu County and other County officials with the following counts;

i. Two counts of Conspiracy to commit an offence of economic crime contrary to section 47A (3), ACECA

ii. One count of breach of trust contrary to section 127 of the Penal Code

iii. Five counts of abuse of office contrary to section 46, ACECA

iv. Two counts of unlawful acquisition of public property contrary to Section 45 (1) (a) as read with section 48 of the Anti-Corruption and Economic Crimes Act,

v. One count of fraudulent acquisition of public property contrary to section 45 (1) (a) as read with section 48 of the Anti-Corruption and Economic Crimes Act

Eleven counts of uttering a false document contrary to section 353 as read with section 349 of the Penal Code.

On 16th November 2023, the DPP returned the inquiry file accepting the Commission's recommendation for prosecution.

2. EACC/FI/INQ/6/2023

Inquiry into Allegations of Conflict of Interest and Corruption in the Acquisition of Telkom Kenya Shares by the Government of Kenya from Helios Investments Limited at a Cost of KSh. 6 Billion in the Financial Year 2022/2023.

Investigations commenced following a complaint received by the Commission (EACC) vide a letter from the Clerk to the National Assembly on 6th March, 2023 in regard to allegations of irregular acquisition of Telkom Kenya Limited (TKL) shares by Government of Kenya (GoK) from Helios Investors LLP at a cost of KSh. 6 Billion in FY 2022/2023.

Investigations established that the search for potential investor stopped when the former Cabinet Secretary, National Treasury wrote a letter dated 29th March, 2022, of GoK's acceptance of Jamhuri Holdings Limited (JHL) decision to exit Telkom to GoK.

Investigations further established that the Communications Authority of Kenya did not grant approval for acquisition of 60% shares of Telkom Limited by the Government of Kenya in the transaction under inquiry since part of the conditions given by the Authority were not met by Telkom Kenya Limited.

Investigations revealed that despite the correspondences between the former Attorney-General (AG) and the former Cabinet Secretary (CS) National Treasury, the office of the AG did not issue legal opinion, neither were the AG's comments and advice incorporated in the contractual documents.

Investigations also revealed that the acquisition of shares by GoK from JHL did not meet the threshold as provided in Regulation 40 (3) and (4) (a) of the Public Finance Management (National Government) Regulations, 2015 since the transaction was not unforeseen and unavoidable.

On 29th August, 2023 a report was compiled and forwarded to the DPP with recommendations to charge the former Cabinet Secretary (CS) for the National Treasury, the former Principal Secretary (PS) at The National Treasury, the Controller of Budget, former Director General Public Investments and Portfolio Management, Chief Executive Officer at Telkom Kenya Limited, Chairman of the Telkom Kenya Limited Board, Chief Operating Officer, Chief Strategy and Business Development Officer and Chief Finance Officer at Telkom Kenya Limited and a transaction advisor for Helios be charged with the following offences;

i. Conspiracy to commit an offence of economic crime contrary to section 47A (3) of ACECA;

ii. Fifteen counts of abuse of office contrary to section 46 of the ACECA;

Two alternate counts of wilful failure to comply with the law relating to the management of funds contrary to section 45(2) (b) as read with section 48 of the ACECA;

iii. Alternate count of entering into an obligation that has a financial implication contrary to section 196 (3) as read with section 196 (6) of the Public Finance Management Act, 2012;

iv. Conflict of interest Contrary to section 42 (3) of ACECA;

v. Two counts of wilful failure to comply with the law relating to procurement Contrary to section 45 (2) (b) of ACECA;

- vi. Deceiving Principal contrary to section 41 (2) of ACECA;
- vii. Fraudulent acquisition Contrary to section 45 (1) (a) all as read with section 48 of ACECA;
- viii. Three counts of Money Laundering contrary to section 3 of the Proceeds of Crime and Anti-Money Laundering Act, 2009;
- ix. Six counts of Acquisition of Proceeds of Crime contrary to section 4 both as read with section 16 of the Proceeds of Crime and Anti-Money Laundering Act, 2009, and
- x. Neglect of official duty contrary to section 128 as read with section 36 of the Penal Code.

Awaiting DPP's response.

3. EACC/MLD/FI/INQ/2/2022

Inquiry in to Allegations that Baseline Consultancy was Awarded Tender for Consultancy Services for Ronald Ngala Utalii College Construction without a Budget.

The Ethics and Anti-Corruption Commission (the Commission) received a report on allegations that the Tourism Fund (TF) fraudulently paid KSh. 8.5 Billion to set up the Coast Branch of Kenya Utalii College (later renamed Ronald Ngala Utalii College-RNUC). This is one of the projects that were to be funded by the Government under the vision 2030 flagship projects. It was reported that the TF managers inflated the cost of setting up the college to KSh. 10.4 Billion against the initial cost of KSh. 1.95 Billion.

It was established that the Tourism Fund contracted private consultants to come up with drawings and designs of the college and also to supervise the main contractor. The drawings and designs were done and approved with a cost estimate of KSh. 8.6 Billion.

Investigations established that the Cabinet in its memo signed by The Minister for Tourism on 22nd May, 2007 and Minister for Finance on 20th August, 2007, approved the construction of Utalii College in Vipingo at a cost of KSh. 1.948 Billion.

It was further established that not the whole amounts paid to the firms were legitimate, as the firms had been overpaid to a total of KSh. 1,483,460,914.97.

On 1st August, 2023 a report was compiled and forwarded to the DPP with recommendations to charge former Cabinet Secretary, Ministry of Tourism, former Permanent Secretary, Ministry of Tourism, former Chief Executive Officer of the Catering Tourism and Development Levy Trustees, the then Chief Executive Officer of the Catering Tourism and Development Levy Trustees, the Procurement Manager of the Catering Tourism and Development Levy Trustees, Baseline Architects, Rebman Malala T/A Ujenzi Consultants, Armitech Consulting Engineers and members of the Tender Committee with the following offences;

- i. Five counts of wilful failure to comply with the law relating to procurement contrary to section 45 (2) (b) as read with section 48 (1) of Anti-Corruption and Economic Crimes Act, 2003.
- ii. Four counts of unlawful acquisition of public property contrary to section 45(1) (a) as read with section 48 (1) of the Anti-Corruption and Economic Crimes Act, 2003.
- iii. One count of abuse of office contrary to section 46 as read with section 48 (1) of Anti-Corruption and Economic Crimes Act, No. 3 of 2003.

vii. Fraudulent acquisition of public property contrary to section 45 (1) (a) as read with section 48 (1) of the Anti-Corruption and Economic Crimes Act, 2003.

On 20th November 2023, the DPP returned the inquiry file with recommendations for further investigations.

6. EACC/MLD/FI/INQ/4/2021

Inquiry into Allegations of Irregular Procurement Process in the Award of Tender for Consultancy and Construction of the Ronald Ngala Utalii College in Kilifi County by the Tourism Fund to Mulji Devraj Brothers Company Limited at a Contract Sum of KSh. 8,961,370,998/=.

The Ethics and Anti-Corruption Commission (the Commission) received a report on allegations that the Tourism Fund (TF) fraudulently paid KSh. 8.5 Billion to set up the Coast Branch of Kenya Utalii College (later renamed Ronald Ngala Utalii College-RNUC). This is one of the projects that were to be funded by the Government under the vision 2030 flagship projects. It was reported that the TF managers inflated the cost of setting up the college to KSh. 10.4 Billion against the initial cost of KSh. 1.95 Billion.

Investigations established that the land on which the college was to be built, was donated by Rea Vipingo Company Limited and a law firm was contracted to undertake conveyance to have the parcel transferred to the Tourism Fund.

Investigations revealed that the tender for construction of Ronald Ngala Utalii College was awarded in May 2013 at a cost of KSh. 8.9 billion. This was against the approved amount by the cabinet of KSh. 1.948 billion. The procuring entity, did not consider that there were not sufficient funds for the project in the budget.

On 1st August, 2023 a report was compiled and forwarded to the DPP with recommendations to charge former Chief Executive Officer of the Catering Tourism and Development Levy Trustees, members of the Tender Committee, sole proprietor of Ujenzi Consultants, Directors of Mulji Devraj and Brothers Limited with the following offences;

i. One count of wilful failure to comply with the law relating to procurement contrary to section 45 (2) (b) as read with section 48 (1) of Anti-Corruption and Economic Crimes Act, 2003.

ii. One count of unlawful acquisition of public property contrary to section 45 (1) (a) as read with section 48 (1) of the Anti-Corruption and Economic Crimes Act, 2003.

iii. One count of abuse of office contrary to section 46 as read with section 48 (1) of Anti-Corruption and Economic Crimes Act, No. 3 of 2003.

iv. One count of deceiving principal contrary to section 41 (2) as read with section 48 (1) of the Anti-Corruption and Economic Crimes Act, 2003

Awaiting DPP's response.

7. EACC/PI/INQ/13/2022

Inquiry into Allegations of Irregular Payment Claims Through Pending Bills Amounting to ksh. 6 Billion to NYS by suppliers namely; Highview Trading, Horizon Limited, Link General, Real Tool Trading, Retego Technologies, Comptool Trading, Jimchar Enterprises, Lizlink Gen. Suppliers, Newtool Mart Tradingtison Limited and others during the Financial Years 2014 to 2018.

The Ethics and Anti-Corruption Commission (EACC) received a report on allegation of irregular payment claims amounting to KSh. 6 billion through pending bills by National Youth Service (NYS) to various suppliers namely; Highview Trading, Horizon Limited, Link General, Real Tool Trading, Retego Technologies, Comptool Trading, Jimchar Enterprises, Lizlink Gen. Suppliers, Newtool Mart Tradingtison Limited and others during the Financial Years 2014 to 2018.

Investigations revealed that there were no requisitions attached to the payment vouchers hence no evidence that the goods and services allegedly supplied were ordered by NYS officers.

Investigations also revealed that the LPOs were not signed by an accountant to commit the funds in the votebook as required by section

52 of the Public Finance Management Regulation on vote control procedures.

Further, it was established the LPOs and s13 had dates indicating that they were issued to the suppliers before their collection from the accounts department.

On 14th August, 2023 a report was compiled and forwarded to the DPP with recommendations to charge the former Director in-Charge of Finance, Senior Inspector Electrical at NYS, Members of Inspection and Acceptance Committee, and various companies incorporated in Kenya with the following counts;

i. Six counts of uttering false documents contrary to section 353 as read with section 349 of the Penal Code.

ii. Three counts of knowingly giving a misleading document to one's principal contrary to section 41 (2).

8. EACC/NYR/FI/INQ/16/2021

Inquiry into Allegation of Irregular Procurement and Conflict of Interest against the Deputy Governor Kirinyaga County in the Award of Tender No. cgk/tr&pw/ot/015/2017-2018 to Jestam Enterprises Limited by the County Government of Kirinyaga.

The Ethics and Anti-Corruption Commission (EACC) received a complaint on 3rd September, 2020 on allegations of conflict of interest and abuse of office against the then Deputy Governor, Kirinyaga County, in the award of tender no. CGK/TR &PW/OT/015/2017-2018, in respect of the spot improvement of Kibingoti Shopping Centre Road in Kiine Ward.

Investigations established that the Kirinyaga County Government had planned and budgeted for the project in its procurement plan and budget for the Financial Year 2017/2018 at a cost of KSh. 7,286,772/=.

Investigations revealed that on 9th February 2018, the County Government placed a notice of invitation for tender in the People's Daily newspaper. The Tender Evaluation Committee evaluated the bids and recommended the award of the tender to Jestam Enterprises Ltd being the lowest evaluated bidder at KSh. 7,150,000.

Investigations further revealed that the Director of Jestam Enterprises Limited was a brother in law to the then Deputy Governor Kirinyaga County and that the said company presented a false NCA certificate in support of their bid.

Financial investigations revealed that Jestam Enterprises Limited had an Account at Ecobank and that after payments were done, the former Deputy Governor made withdrawals through cheques signed by him alone.

On 28th August, 2023 a report was compiled and forwarded to the DPP with recommendations to charge jointly or severally the former Deputy Governor Kirinyaga County, his brother in law and Jestam Enterprises Limited with the following offences;

i. Knowingly holding a private interest in a contract connected with a public body Contrary to section 42 (3) as read with section 48 (1) of the ACECA

ii. Fraudulent acquisition of public property contrary to section 45 (1) (a) as read with section 48 (1) of ACECA.

iii. Fraudulent practice in a procurement process Contrary to section 66 (1) as read with section 176 (i) of the Public Procurement and Asset Disposal Act, 2015

iv. Carrying on the business of a contractor without a valid registration from the National Construction Authority Board contrary to section 15 (1) as read with section 15 (3) of the National Construction Authority Act, No. 41 of 2011.

On 20th November, 2023, the DPP returned the inquiry file with recommendations for further investigations.

9. EACC/MCKS/FI/INQ/43/2019

Inquiry into Allegations of Embezzlement of KSh. 2 Million Public Funds and Shoddy Work done by the Contractor in Respect to Construction of a Dormitory at Iplosat Secondary School In Kaputiei North Ward, Kajiado County

The Ethics and Anti-Corruption Commission (EACC) commenced this investigation following a report received on 4th June, 2019 on allegations of embezzlement of KSh. 2 million public funds and shoddy works done by the contractor in respect to construction of a dormitory at Iplosat Secondary School in Kajiado County Government.

Investigations established that in the FY2014/2015, Kajiado County Government set aside KSh. 3 million for construction of a dormitory at Iplosat Secondary School.

Investigations further established that due to the strong winds experienced in the said area, the roof was blown off and the same was communicated to the contractor who repaired it.

Investigations did not reveal any procurement irregularities in the subject project, nor embezzlement of public funds as alleged. Only KSh. 2.8 million out of KSh. 5 million set aside was paid by the Kajiado County Government in relation to the subject project.

On 10th July, 2023 a report was compiled and forwarded to the DPP with recommendations that the inquiry file be closed with no further action.

On 22nd November, 2023, the DPP returned the inquiry file with recommendations for closure.

10. EACC/GSA/FI/INQ/1/2021

Inquiry into Allegations of Irregular Payment of KSh. 99.9 Million by the County Government of Garissa to a Private Company Namely M/S Liyaan Construction.

Investigations commenced following a complaint received on 2nd February, 2021 with allegations that Ms. Liyaan Construction and Supplies Company Limited was being used by the Assistant Director, Urban Planning at Garissa County to embezzle public funds.

Investigations established that on diverse dates between 9th July, 2019 and 4th January, 2021 the firm had been paid a total of KSh. 99.9 million out of which 88 million was withdrawn in cash.

It was further established that when the investigations began, notice of cessation of director form CR9 dated 24th February, 2021 was lodged by the said Assistant Director-Urban Planning at Garissa County who ceased to be a director and transferred his 1000 shares to another person according to a transfer deed dated 24th February, 2021.

Financial analysis established that the suspect had been paid a total of KSh.97, 870,995.55 by the County Government of Garissa between 1st July, 2019 and 31st January, 2021.

On 16th August, 2023 a report was compiled and forwarded to the DPP with recommendations that Deputy head of Treasury, Head of Treasury, Chief Officer, Finance, Chief Officer, Finance, IFMIS payment creator, IFMIS payment updater, IFMIS Invoice creator, IFMIS payment creator and updater be charged with the following offences;

v. Fraudulent payment from public revenues for goods not supplied contrary to section 45 (2) (a) (ii) as read with section 48(1) of the Anti-corruption and Economic crimes Act no. 3 of 2003.

On 20th November 2023, the DPP returned the inquiry file with recommendations for further investigations.

11. EACC/GSA/FI/INQ/25/2016

Inquiry into the Allegations of Irregular Leasing of Ambulance Services by Mandera County Government from Emergency Plus Medical Services (Epms) Limited, a Company owned by the Kenya Red Cross Society.

The Commission commenced this investigation following a recommendation by the Senate on the procurement process employed in leasing the ambulances from Kenya Red Cross Society. It was alleged that the County Government of Mandera irregularly leased ambulance services from Emergency Plus Medical Services (EPMS) where the County leased six ambulances at a cost of KSh. 64 Million per year instead of adhering to the Appropriation Bill which recommended the buying of ambulances.

Investigations established that the County Government of Mandera had a budget of KSh. 60 Million to purchase ambulances. After doing a cost analysis it was resolved that leasing ambulances for 18 months would be easy because the ambulances leased would access more areas.

Investigations established that direct procurement method was used in procurement of ambulance services because of the urgency needed to mitigate the child and maternal deaths.

It was further established that in the same Financial Year, an additional ambulance at a cost of KSh. 700,000/= was given to the County to address the huge referral gap in referral services in Mandera North.

Investigations also established that the CEC for Health signed a new contract with Emergency Plus Medical Services (EPMS) in the 2015/2016 financial year. The agreement which was signed on 8th October, 2015 was back dated to 15th August, 2015. The terms of this contract was that the services of the ambulance would cost KSh. 700,000/= per unit for one year. No procurement was undertaken to source for the ambulance services in this financial year after the previous contract had expired.

On 16th August, 2023 a report was compiled and forwarded to the DPP with recommendations to charge the County Executive Member for Health with the following offences;

i. Wilful failure to comply with the law relating to procurement contrary to section 45 (2) (b) as read with section 48 (1) of the Anti-Corruption and Economic Crimes Act, 2003; and

ii. Abuse of office contrary to section 45 (2) (b) as read with section 48 (1) of the Anti-Corruption and Economic Crimes Act, 2003.

On 20th November, 2023, the DPP returned the inquiry file with recommendations for further investigations.

12. EACC/ELD/FI/INQ/20/2021

Investigation into Allegations of Conflict of Interest and Fraudulent Acquisition of Public Funds by Turkana County Government Employees through Amailo Investment Company During the Fy 2019/2020 and 2020/2021

This investigation commenced following an anonymous report made to the Ethics and Anti- Corruption Commission (EACC) alleging Conflict of Interest and embezzlement of funds by an employee of Turkana County Government, through Amailo Investment Company, which company had been awarded tenders by the County Government worth over KSh.100 Million.

Investigations established that the Accountant General of Turkana County Government held a private interest in Amailo Investment Company Limited and has been trading with the Turkana County Government through her relatives.

Investigations revealed that on 23rd March, 2021, Amailo Investment Company was issued with Local Purchase order No 703 for the supply of 6024 bags of corn soya blend –UNIMIX, 25kg bag for ECD schools at a unit price of KSh. 4150 per bag.

Investigations further revealed that Amailo Investment Company conspired with the Public Health Officer and members of the Inspection and Acceptance Committee, to submit false delivery notes together with an invoice dated 25th May, 2021 purporting that 6024 bags of soya beans had been delivered to Turkana County Government. KSh. 24,999,600/= was paid to Amailo Investment Company being payment for supply 6024 bags of corn soya blend which goods were never delivered to the County.

On 16th August, 2023 a report was compiled and forwarded to the DPP with recommendations to charge the Accountant General, members of the Inspection and Acceptance Committee, the Public Health Officer, and Directors of Amailo Investment Company Limited, with the following offences:

- i.* Knowingly holding a private interest in a contract connected with a public body contrary to section 42 (3) as read with section 48 (1) of the ACECA;
- ii.* Wilful failure to comply with the law relating to procurement contrary to section 45 (2) (b) as read with section 48 (1) of the ACECA.
- iii.* Two counts of deceiving Principal Contrary to section 41 (2) as read with section 48 (1) ACECA.
- iv.* Abuse of office Contrary to section 46 as read with section 48 (1) of ACECA.
- v.* Fraudulent acquisition of Public Property Contrary to section 45 (1) of ACECA.

On 20th November, 2023, the DPP returned the inquiry file with recommendations for further investigations.

13. EACC/MCKS/FI/INQ/24/2018

Investigation into Allegations of Irregular Tender Award for Tender Number CGOKTI/Q839/2015-2016 by the County Government of Kitui

The Commission commenced investigation following a complaint that tender for construction of 4- door pit latrine at a sum of KSh. 480,000/= at Nzangathi Health Centre was awarded to Salalah Logistics Consultants a business owned and operated by former Mbitini Ward MCA.

Investigations established that the tender attracted three bidders. None of the three bidders met the evaluation criteria yet the Tender Evaluation Committee irregularly recommended the award of tender to Salalah Logistics Consultants.

Further, investigations established that the pit latrine walls collapsed before completion of the construction work. This necessitated variation of the structural design to include beams to strengthen the walls. Despite the collapsed walls and the stalled construction work, the Inspection and Acceptance committee valued the work done at 64% and recommended payment of KSh. 462,205/= despite its failure to repair the pit latrine walls and complete the construction.

Investigations also confirmed that one of the proprietors of Salalah Logistics Consultants was a siting MCA for Mbitini Ward when the tender was awarded, and this amounted to conflict of interest.

On 16th August, 2023 a report was compiled and forwarded to the DPP with recommendations that the members of the Tender Evaluation Committee, members of the Inspection and Acceptance Committee and proprietors of Salalah Logistics Consultants be jointly and severally charged as follows:

- i.* Three counts of Wilful failure to comply with the law relating to procurement contrary to section 45 (2) (b) as read with section 48 (1) of the ACECA, 2003.
- ii.* Abuse of office contrary to section 46 as read with section 48 of the ACECA, 2003.
- iii.* Unlawful acquisition of public property contrary to section 45 (1) (a) as read with section 48 of the ACECA, 2003.
- iv.* Conflict of interest contrary to section 42 (3) as read with section 48 of the ACECA, 2003.

Awaiting DPP's response.

14. EACC/MCKS/FI/INQ/24/2021

Inquiry into Allegations that Kitui County had Misappropriated KSh. 500 Million meant for Covid 19 Intervention

The Ethics and Anti-Corruption Commission (EACC) commenced this investigation following a report received on 26th October, 2021 on allegations that Kitui County Government had misappropriated KSh. 500 million meant for Covid 19 intervention. It was further alleged that the said amount was distributed to four County Ministries and was utilized in violation of the Covid 19 funds framework on utilization of funds.

Investigations established that in May, 2020 Kitui County Referral Hospital was appropriated a sum of KSh. 300 million for COVID 19 response. Thereafter, Kitui County was allocated KSh. 120 million as a conditional grant meant specifically for Covid 19 interventions. Guidelines on the utilization of the said grant were issued by the Ministry of Health requiring that the same be used for Covid 19 related activities only.

Investigations established that the said funds were however not used for Covid 19 emergency response, to wit, quarantine and isolation expenditures as was required by the guidelines on utilization of the conditional grant.

Investigations established that the preparation of the supplementary budget II was initiated by the County Executive Committee Member (CECM) County Treasury, who failed to indicate or inform the committee on the guidelines in place on how the KSh. 420 million was to be utilized.

Investigations further revealed that as per the said guidelines the responsibility to ensure that the funds are utilized for the intended purpose was placed on the Chief Officer Finance and the Chief Officer Health. The two officers were also the signatories to a special purpose account from which the subject funds were disbursed and used for purposes not intended.

On 10th July, 2023 a report was compiled and forwarded to the DPP with recommendations to charge the suspects with two counts of Wilful failure to comply with the law relating to management of public funds, to wit section 198 (1) (b) of the Public Finance Management Act, 2012.

On 16th November, 2023, the DPP returned the inquiry file with recommendations for further investigations.

15. EACC/MCKS/FI/INQ/4/2017

Inquiry into Allegations that the County Government of Machakos through the Department of Health Misappropriated KSh. 32 Million Donated by the World Health Organization (WHO) and the Danida Fund from the Royal Danish Embassy to Assist in Improving Health Care within the said County.

The Commission commenced this investigation following a report received on 29th November, 2016 on allegations that the County Government of Machakos through the Department of Health misappropriated KSh. 32 million donated by the World Health Organization (WHO) and the DANIDA Fund from the Danish Embassy to assist in improving health care within the County.

Investigations established that Machakos County through a proposal to WHO requested for funds to support the County's Health Sector. WHO released the said funds after a contract was signed between WHO and the PS the Ministry of Health on behalf of Machakos County.

Investigations also established that four out of the six projects were implemented and accounted for through reports/returns that were submitted to WHO. The remaining two projects worth KSh. 32 million were never accounted for. Evidence revealed that the funds were withdrawn in cash between 22nd January and 5th August, 2015 by the accountant at the Health Department.

Investigations further established that the suspects were the signatories to the Machakos County WHO bank account, in which the funds disbursed by WHO were held and from which the said funds were withdrawn and not accounted for.

On 10th July, 2023 a report was compiled and forwarded to the DPP with the recommendations to charge the suspects with the following offences;

- i.* Two counts of wilful failure to comply with the law relating to procurement contrary to section 45 (2) (b) as read together with section 48 of the Anti-Corruption and Economic Crimes Act, 2003.
- ii.* Two counts of unlawful acquisition of public property contrary to section 45 (1) (a) as read with section 48 (1) of the Anti-Corruption and Economic Crimes Act, 2003.

On 15th November, 2023, the DPP returned the inquiry file accepting the Commission's recommendation for prosecution.

16. EACC/ISL/FI/INQ/7/2016

Inquiry into Allegations of Irregular Procurement for the Proposed Construction of Tharaka Nithi County Assembly Tender No. Tncalt/01/2015-2016/01; Irregularly Awarded to Lexis International Company Limited at a Cost of KSh. 369,642,688/=

The Commission commenced this investigation following allegations that Tharaka Nithi County Assembly irregularly awarded a tender to Lexis International Company Limited at a cost of KSh. 369,642,688/= for the construction of the Assembly chambers and administration offices in the 2014/2015 Financial Year.

Investigations established that both the Evaluation and Tender Committees flawed the procurement process that led to the award of tender to Lexis International Limited.

Investigations also revealed that the Tender Evaluation Committee members failed to undertake evaluation of the bids using the laid down procedures and criteria set out in the tender documents.

Investigations further established that the Clerk of the County Assembly commenced the procurement process while he knew that there was no land to construct the County Assembly offices. Additionally, he did not obtain the requisite approvals from government authorities (NEMA and NCA) before commencing the project.

On 27th September, 2023, a report was compiled and forwarded to the DPP with recommendations to charge the members of the Tender Evaluation Committee, members of Tender Committee, Senior Legal Counsel and the then Clerk of the County Assembly of Tharaka Nithi with the following offences;

i. Two counts of wilful failure to comply with the law relating to procurement contrary to section 45 (2) (b) as read with section 48 (1) of the Anti Corruption And Economic Crimes Act, 2003.

ii. One count of fraudulent practice in procurement processes contrary to section 41 (4) as read with section 137 of the Public Procurement and Disposal Act, No. 3 of 2003.

iii. One count of engaging in a project without prior planning, contrary to section 45 (2) (c) as read with section 48 (1) of the Anti-Corruption and Economic Crimes Act, 2003.

On 22nd November, 2023, the DPP returned the inquiry file with recommendations for further investigations.

17. EACC/MCKS/FI/INQ/10/2015

Inquiry into Allegations of Conspiracy to Defraud Machakos County KSh. 10,881,665/= by Members of Staff of the said County in the Procurement of Works for Rehabilitation and Commissioning of the Kamu Irrigation Scheme Project in the FY 2013/2014 MWI&I QUO56/2013-2014.

The Commission (EACC) commenced this investigation following a report received on 14th July, 2015 on allegations of conspiracy to defraud Machakos County KSh. 10,881,665/= by members of staff of the said County in the procurement of works for rehabilitation and commissioning of the Kamu Irrigation Scheme Project in the FY2013/2014MWI&I QUO56/2013-2014.

Investigations established that there was a need to rehabilitate the Kamu irrigation scheme. The community made a proposal to the Water and Irrigation Department seeking support.

Investigations revealed that before payment was made, the Irrigation Engineer visited the site and established that only 710 PVC pipes and rubbers had been supplied worth KSh. 4.6 million. Based on this the Chief Officer Water and Irrigation Department, authorized payment and the supplier was paid KSh. 4.6 million on 12th June, 2014 and KSh. 1 million on 11th October, 2014.

Evidence shows that the above payment was made to Triple Three Solutions Limited a company that did not participate in the subject procurement.

On 27th September, 2023 a report was compiled and forwarded to the DPP with recommendations that Chief Officer Water and Irrigation Department, Director of Triple Three Solutions Limited, Triple Three Solutions Limited, Director in the Department of Water and the Chair of the Procurement Committee and Director Osiligi Engineers Limited be charged with the following offences;

i. Three counts of wilful failure to comply with the law relating to procurement contrary to section 45 (2) (b) as read together with section 48 of the Anti-Corruption and Economic Crimes Act, 2003.

ii. One count of fraudulent acquisition of public property contrary to section 45 (1) (a) as read with section 48 of the Anti-Corruption and Economic Crimes Act, 2003.

iii. Two counts of engaging in fraudulent practice in a procurement proceeding contrary to section 41 (1) as read together with section 41 (4) and section 137 of the Public Procurement and Disposals Act, 2005 (Repealed).

On 22nd November, 2023, the DPP returned the inquiry file with recommendation for further investigations.

18. EACC/NKR/FI/INQ/02/2020

An Inquiry into Allegations of Procurement Irregularities in the Award of the Tender for the Supply and Delivery of Ambulance and Utility Vehicles at the County Government of Kericho vide Tender No. CGK/T/H/018/2019/2020.

The investigation was commenced in response to a complaint received on 30th September, 2020, which alleged irregularities in the procurement process involving the acquisition of ambulance and utility motor vehicles vide Tender CGK/T/H/018/2019/2020.

Investigations established that the tender was planned and budgeted for, however, during evaluation, the Committee failed to adhere to the evaluation criteria and awarded the tender for KSh. 42,300,000 to Delta Equipment Limited.

Investigation uncovered deviations from proper procurement procedures, leading to irregularities in the awarding of the tender to Delta Equipment Limited for KSh. 42,300,000.

However, it is noteworthy that the contract was cancelled and no money was paid. The procurement of the 3 ambulances and 1 utility vehicle was retendered and were delivered by Toyota Kenya who was the winning bidder in the subsequent tender.

On 27th September, 2023 a report was compiled and forwarded to the DPP with recommendations that the Evaluation Committee be subjected to administrative actions as per the County Government Act and the PPAD Act, 2015.

On 22nd November, 2023, the DPP returned the inquiry file with recommendations for administrative action.

An Inquiry into Allegations of Procurement Irregularities in the Purchase of Land Reference Number Kisumu/Nyalenda "B" /594 by Kenya Maritime Authority

The Commission received a complaint on 4th February, 2021, on allegations of corruption and procurement irregularities in the purchase of land reference number Kisumu/Nyalenda "B" /594 for construction of Maritime research and Rescue Centres. The tender was awarded to Ms. Rowalo Merchants at a cost of KSh.19.5 Million.

Investigations established that the land was over priced and that the Valuers from the Ministry of Land and Physical Planning misled Kenya Maritime Authority (KMA) into believing that the suit property was valued at KSh. 17,000,000 instead of KSh. 7,200,000.

Investigations also established that the procurement of the land was undertaken without prior planning and sufficient budget.

Investigations further revealed that the Chairman of the Tender Evaluation Committee had a private interest in the procurement as he received some money which financial investigations revealed, were part of proceeds of the procurement.

On 27th September, 2023 a report was compiled and forwarded to the DPP with recommendations to charge the former Acting Deputy Governor, the Valuer as well as the Chairman Tender Evaluation Committee, with the following offences;

i. Two counts of wilful failure to comply with law relating to procurement contrary to section 45 (2) b of ACECA;

ii. One count of deceiving principal contrary to section 41 (2) of ACECA;

iii. One count of conflict of interest contrary to section 42 (3) of ACECA; and

iv. One count of abuse of office contrary to section 46 as read with section 48 (1) of ACECA.

Awaiting DPP's response.

Inquiry into Allegations of Impersonating an EACC Investigator and that he was Investigating a Matter Touching on Supply of Subsidized Maize Flour, a Contract Awarded by the Ministry of Agriculture.

The Commission commenced investigations following a complaint on 25th November, 2022 by a complainant who alleged that on 22nd November, 2022 he had received a phone call from a person who claimed to be an EACC investigator and that he was undertaking an investigation touching on the complainant regarding payment requests that he made to the Ministry of Agriculture for subsidies.

Investigations established the suspect's real identity and that the suspect was not an investigator employed at the EACC. He also personated himself as an investigating officer of EACC to the complainant in order to request for a bribe of KSh. 1 million under the pretext that he would ensure a favorable report is generated by their investigations team.

On 25th November, 2022, the Commission's Officers organized a trap operation that resulted to the arrest of the suspect.

On 3rd July, 2023 a report was compiled and forwarded to the DPP with recommendations that the suspect be charged with the following offences;

i. Two counts of impersonating an investigator contrary to section 34 (1) as read with section 34 (2) of the Anti-Corruption and Economic Crimes Act, No. 3 of 2003.

ii. One count of receiving a bribe contrary to section 6 (1) (a) as read with section 18 (1) and (2) of the Bribery Act.

On 15th November, 2023, the DPP returned the inquiry file accepting the Commission's recommendation for prosecution.

40. EACC/OPS/INQ/115/2022

Investigations in Respect to Allegations that a Traffic Police Officer Attached to Wilson Airport Police Station Requested and Received a Bribe of KSh. 5,000/= so as To Release a Motor Vehicle which was Detained at the Station for the Offence of Obstruction.

The Commission received a complaint from the complainant that a Traffic Police Officer stationed at Wilson Airport demanded a bribe of KSh. 5,000/= from him so that he could release his vehicle which the said Police Officer had impounded and detained on that morning at the police Station for an alleged offence of obstruction.

Investigations established that the suspect is a Traffic Police Officer attached to Wilson Airport Police Station and he confirmed receipt of KSh. 2,000/= from the complainant as cash bail. However, he was arrested before he issued a receipt for cash bail.

The recorded conversation between the complainant and the suspect revealed that the complainant was asked by the suspect to look for money to pay cash bail and not a bribe, therefore the suspect did not request for a bribe.

On 16th August, 2023 a report was compiled and forwarded to the DPP with recommendations that the inquiry file be closed with no further action.

On 22nd November, 2023, the DPP returned the inquiry file with recommendation for closure.

41. EACC/OPS/INQ/95/2022

Inquiry in Respect of Bribery Allegations Against Nairobi City County Officers who requested for a Bribe of ksh. 400, 000/= in Order to Facilitate the Approval of an Application for a Food Handling Certificate.

The Commission commenced investigations following a report received on 7th September, 2022 from a complainant alleging that an official from the Nairobi City County was demanding for a bribe of KSh. 400,000/= from him so as to facilitate the issuance of a food handling certificate.

Investigations established that the suspect, who is an Administrative Officer at the Nairobi City County Public Service Board had requested for a bribe of KSh. 400, 000/= and received a bribe of KSh. 200,000/= from the complainant so as to facilitate the approval of food handlers' applications that were pending in the portal in favour of the Complainant's company.

The suspect was arrested after having received the trap money of KSh. 200,000/= from the complainant.

On 27th September, 2023 a report was compiled and forwarded to the DPP with recommendations that the suspect be charged with 2 counts of receiving a bribe contrary to section 6 (1) (a) as read with section 18 of the Bribery Act, No. 47 of 2016.

On 17th November, 2023, the DPP returned the inquiry file accepting the Commission's recommendation for prosecution.

42. EACC/OPS/INQ/35/2023

Investigation into Bribery Allegations Against Police Officers of the National Police Service.

The Commission received a complaint on 16th May, 2023 that 1st suspect, a Police Officer attached to the Nairobi Area Traffic Patrol was demanding for a bribe of KSh. 3,000/= from the complainant so as to release his motor vehicle which had been impounded and detained at Kamukunji Police Station.

Investigation established that the 1st suspect demanded the bribe KSh. 3,000/= bribe from the complainant.

The Commission organized a trap operation which led to the arrest of 2nd suspect, who is also a police officer stationed at Kamukunji Police station.

Investigations revealed that the 1st suspect had instructed the second suspect to receive the bribe from the complainant and release the motor vehicle upon compliance.

On 27th September, 2023 a report was compiled and forwarded to the DPP with recommendations that the suspects be charged as follows;

i. The 1st suspect be charged with 2 counts of receiving a bribe, contrary to section 6 (1) (a) and section 6 (2) (a) as read with section 18 (1), (2) of the Bribery Act, No. 47 of 2016.

ii. The 2nd suspect be charged with 1 count of receiving a bribe, contrary to section 6 (1) (a) and section 6 (2) (b) as read with section 18 (1), (2) of the Bribery Act, no. 47 of 2016 and one count of concealing evidence C/S 66 (1) (a) as read with section 66 (2) of ACECA.

On 17th November, 2023, the DPP returned the inquiry file accepting the Commission's recommendation for prosecution.

43. EACC/MLD/OPS/INQ/01/2021

Inquiry in Respect of Bribery Allegations Against a Senior Chief Ziani Location Chonyi Division.

Investigations commenced following a report on 8th March, 2021, by the complainant who alleged that the Senior Chief Ziani Location in Chonyi Division requested for a bribe of KSh. 15,000 from him in order to write a letter to access their disputed land in Ziani location.

Investigations established that the suspect who is a public officer employed by the Ministry of Interior and Co-ordination of National Government as a Senior Chief was arrested after he had received a bribe of KSh. 10,000/=.

On 27th September, 2023 a report was compiled and forwarded to the DPP with recommendations that the suspects be charged as follows;

i. Two counts of receiving a bribe contrary to section 6 (1) (a) as read with section 18 of the Bribery Act, No. 47 of 2016.

ii. One count of abuse of office contrary to section 46 as read with section 48 (1) of the Anti-Corruption and Economic Crimes Act, No. 3 of 2003.

On 20th November, 2023, the DPP returned the inquiry file with recommendations for further investigations.

(No. 13 of 2019)

COMPLETION OF DEVELOPMENT PLAN

PDP No. EMC/TOT/2023/03—Proposed site for Kerio Valley Development Authority (KVDA) Tot Mango Factory Farm

NOTICE is given that the above-mentioned development plan was on the 2nd November, 2023, completed.

The development plan relates to land situated within Tot, Elgeyo Marakwet County.

A copy of the above part development plan has been deposited for public inspection at the County Physical Planning Office, Iten.

The copy so deposited is available for inspection free of charge by all persons interested at the above-mentioned development plan between 8.00 a.m. and 5.00 p.m., from Monday to Friday.

Any interested person who wishes to make any representation in connection with or objection to the above development plan may send such representation or objections in writing and to be received by County Physical Planning Office, P.O. Box 220–30700, Iten, within sixty (60) days from the date of publication of this notice and such representation or objection shall state the grounds on which it is made.

Dated the 27th November, 2023.

THE ENVIRONMENTAL MANAGEMENT AND CO-ORDINATION ACT

(No. 8 of 1999)

NATIONAL ENVIRONMENT MANAGEMENT AUTHORITY
ENVIRONMENTAL IMPACT ASSESSMENT STUDY REPORT
FOR THE PROPOSED COMMUNAL SDA FACILITY
COMPRISING OF A CHURCH SANCTUARY AND OTHER
COMPLEMENTARY FACILITIES ON PLOT L.R. NO. 11914/72,
ALONG MUKOMA ROAD, OFF MAGADI ROAD, KAREN,
NAIROBI CITY COUNTY

INVITATION OF PUBLIC COMMENTS

PURSUANT to section 59 of the Environmental Management and Co-ordination Act, 1999, the National Environment Management Authority (NEMA) has received an Environmental Impact Assessment Study Report for the above proposed project.

The proponent, Seventh Adventist Church (East Africa) Limited proposes to construct a communal SDA facility comprising of a church sanctuary, offices, a lobby, 6 accommodation rooms, dining and kitchen area, associated amenities and facilities. The proposed project will be located on plot L.R.No.11914/72, along Mukoma Road, off Magadi Road, Karen, Nairobi City County.

The following are the anticipated impacts and proposed mitigation measures:

| <i>Impacts</i> | <i>Mitigation measures</i> |
|----------------|---|
| Soil erosion | <ul style="list-style-type: none"> • Control earthworks. • Install drainage structures properly. • Ensure management of excavation activities. |
| Air pollution | <ul style="list-style-type: none"> • Stockpiles of earth should be sprayed with water or covered during dry seasons. |

- Provide dust masks for the personnel in dust generation areas.
 - Sensitize construction workers on pollution control measurers.
- Noise pollution
- Sensitize workforce including drivers of construction vehicles.
 - Install sound barriers for pile driving activity.
 - Install portable barriers to shield compressors and other small stationary equipment where necessary.
 - Display signs to indicate construction activities.
 - Workers in the vicinity of high level noise to wear safety and protective gear.
 - Maintain the church service operations to the set noise levels.
 - Installation of sound proofs and Noise Cancellation Technologies in the church building.
- Dust generation
- Spray stock piles of earth with water.
 - Avoid pouring dust materials from elevated areas to ground.
 - Cover all trucks hauling soil, sand and other loose materials.
 - Provide dust screen where necessary.
- Exhaust emissions
- Vehicle idling time shall be minimized.
 - Equipment shall be properly tuned and maintained.
- Increased water demand
- Proper Management of water usage to avoid unnecessary wastage of water.
 - Use of storage tanks to harvest water.
- Site cleanliness and sanitary facilities
- Special attention shall be paid to the sanitary facilities on site.
 - Garbage shall be disposed periodically.
- Public health and occupational safety
- Ensure proper solid waste disposal and collection facilities.
 - Ensure dustbin cubicles are protected from animals.
 - Provide suitable safety gear for all personnel.
 - Connection of waste water to Waste Water Treatment plant.
- Increased vehicular traffic
- Use of traffic marshals during construction.
 - Delivery of construction materials at off peak hours.
 - Deployment of traffic police during project operation to guide on congregant entry and exit.
 - Provide adequate parking area for congregants.

The full report of the proposed project is available for inspection during working hours at:

- (a) Principal Secretary, Ministry of Environment, Climate Change and Forestry, NHIF Building, 12th Floor, Ragati Road, Upper Hill, P.O. Box 30126-00100, Nairobi.

**NATIONAL ENVIRONMENT MANAGEMENT AUTHORITY
ENVIRONMENTAL IMPACT ASSESSMENT STUDY REPORT
FOR THE PROPOSED 300-BED CAPACITY TERTIARY
HOSPITAL ON L. R. NO. 12825/232 ALONG KIAMBU ROAD,
KIAMBU TOWNSHIP SUB-COUNTY, KIAMBU COUNTY**

INVITATION OF PUBLIC COMMENTS

PURSUANT to section 59 of the Environmental Management and Co-ordination Act, 1999, the National Environment Management Authority (NEMA) has received an Environmental Impact Assessment Study Report for the above proposed project.

The proponent, Ruth Wanjiku Gakunju proposes to develop a 300-bed capacity tertiary hospital with auxiliary services. The development will be a five floor building comprising of 1st basement (sewage treatment plant), 2nd basement, upper basement, ground floor and 1st-5th floor. First and the last floor will host different wards, private rooms, operating theatres and intensive care units (ICU). It will also provide services through various departments (cardiology, dental, ear nose and throat (ENT), gynecology and obstetrics, gastroenterology, urology, nephrology, pediatrics, psychiatry, orthopedics etc.). Other components include sewage treatment plants (STP) funeral parlor, two access roads storm drainage system, borehole, other supporting amenities and associated facilities. The project will be located on L. R. No. 12825/232, along Kiambu Road, Kiambu Township Sub-County, Kiambu County.

The following are the anticipated impacts and proposed mitigation measures:

| <i>Impact</i> | <i>Mitigation Measures</i> |
|---------------------|--|
| Air quality | <ul style="list-style-type: none"> • Regular wetting of dusty surfaces of the construction areas/sites are performed. • Install solid screens or barriers around dusty activities. • All site construction machineries a will be well maintained to be in good working condition as per the manufacture manual. • No burning of waste and any other litter will be permitted on-site. • The contractor will strictly adhere to the provision of EMCA (Air Quality) Regulations, 2014, The contractor will develop a complaint register and corrective action program. |
| Noise and vibration | <ul style="list-style-type: none"> • Activities that produce excessive noise will be restricted, where practical, to the hours permitted by the EMCA (Noise and Vibration) Regulation, 2009. • Where economically feasible, enclose excessively noisy equipment likely to generate community complaints. • Construction hours will be restricted to between 0700hrs. and 17h00 hrs. |

| | | |
|--------------------------------|---|--|
| Traffic management | <ul style="list-style-type: none"> • Site hoardings and screens, will be used to provide acoustic screening. • Where community complaints are recorded with respect to site noise, the relevant noise source will be identified and any additional feasible and reasonable measures available will be implemented to either reduce noise emissions or reduce the impact on receptors. • Develop a Traffic Management Plan prior to construction including; Operating standards for work and rest, designated speed limits and routes effective signage to raise awareness and implement area-specific and site inductions and training. • Consult prior to construction with the appropriate roads authority regarding works which may affect roads or traffic. • Avoid peak traffic periods to minimize traffic delays to the public where possible. • Maintain access to adjacent properties or consult alternative arrangements with the nearby residents. • Provide appropriate on-site parking to prevent overflow onto the local road network. • Ensure delivery vehicles to and from the site are spread across the course of the working day, therefore, the number of heavy vehicles travelling during the peak hours are kept at low. • The contractor will take all necessary measures for the safety of traffic during construction and provide, erect, and maintain such barricades, including signs, markings, flags, lights, and flagmen. | <ul style="list-style-type: none"> • Ensure all equipment and machines are only used whenever required. • High energy demanding equipment will be unplugged when not in use. • Use timers for air conditioning and ventilation systems will be installed. |
| | | <p>Excessive demand on water</p> <ul style="list-style-type: none"> • Water conservation awareness and saving measures through training will be provided to all the project workers in both phases. • Water reuse/recycling methods will be implemented as far as practicable. • Operation water will be sourced from licensed vendors (Kiambu and Ruiru water supplies). • Groundwater abstraction permits will be sought from Water Resources Authority. |
| Health and safety risks | <ul style="list-style-type: none"> • Design and implement safety measures and emergency plans to contain accidents risks. • Regular training on health and safety for workers shall be conducted through toolbox meeting and talks. • The construction site shall be barricaded at all times with adequate markings, flags, reflectors etc. for safety of general traffic movement, workers, residents, and pedestrians. • The Contractor will mark 'hard hat' and other 'high risk' areas and enforce non-compliance of use of PPE with zero tolerance. | <p>Effluent discharge</p> <ul style="list-style-type: none"> • Chlorination and disinfection of the effluent shall be performed prior to treatment. • Engineering controls will be in place to remove active ingredients i.e. antibiotics and miscellaneous pharmaceutical products, among other hazardous constituents. • The sludge will be treated off-site in a registered hazardous waste handling facility. • Regular inspection of wastewater handling infrastructure shall be performed. • Monitor effluent quality regularly to ensure that the stipulated discharge rules and standards are not violated. • Wastewater handling procedures, rules, including liquid waste disposal and as per the provision of EMCA (Waste Regulation), 2006. |
| Pressure on existing utilities | <ul style="list-style-type: none"> • Ensure that washing/cleaning activities are carried out through methodologies requiring low water consumption or dry cleaning if possible. • Install water resource efficient fittings. • Perforated drainage lines will be used to ensure there are areas where water will percolate underground (Green areas). • Proper drains will be constructed with continuous monitoring to ensure there are no blockages. This also includes ensuring the size of the drains can accommodate storm flows during the rainy season. • Passive designs have been incorporated for cooling, heating, and lighting in all the buildings facades. • Energy efficient lighting system and motion sensors for lighting will be installed. • The building will well be insulated to avoid the escape of hot and/or cool air depending on season. | <p>Solid waste generation</p> <ul style="list-style-type: none"> • Develop and implement a Waste Management Plan including waste segregation strategies and procedure of handlings. • Ensure all waste are dumped in their designated areas and through legally acceptable methods and that the receptacle bins are regularly cleaned and disinfected. • Staging waste collection point shall not be located close to sensitive receptors (Residential areas). • Waste collection point shall be hoarded and protected from extreme weather conditions. • Only licensed waste handlers will be contracted to collect and dispose off waste as per the provisions of EMCA (Waste Regulations), 2006. • Hazardous waste shall be disposed off as per the Waste Management Plan and the provision of EMCA (Waste Regulation), 2006. • Hazardous waste bins will be clearly marked and stored in a contained area and covered with impervious lid. • All hazardous waste shall be removed from the facility on a weekly basis and disposed off at a registered or licensed hazardous disposal facility. • Ensure all construction waste is stored onsite and properly disposed off at licensed facilities and transported by a licensed waste handler. <p>Occupational safety and health risks</p> <ul style="list-style-type: none"> • The facility will develop an Emergency Response Plan (ERP) and ensure all employees and visitors/patients are aware of it and the procedures to follow commensurate with the level of emergency. |

- Develop an infection control procedure for the project defining responsibilities, resources, and management/ mitigation measure for potential infection risks within the facility.
- Ensure experienced and qualified staff are supervising the use of all equipment and machines.
- compliance with all the precautions as required for ensuring the safety of the workmen as per the OSHA, 2007 through provision of safety protective equipment PPEs.
- Ensure there is restricted access to the high-risk areas such as imaging devices.
- No worker should be allowed to operate any equipment and/or machine without the appropriate training/induction and written permission to proceed by the technician in charge.
- Risk assessments and control measures should be completed as part of the project involving injury or infection risks.
- All areas and surfaces are to be cleaned and sanitized frequently according to a pre-established schedule.
- Radioactive and Infection safety awareness campaigns to be prepared.
- X-ray department will provide appropriate PPEs to operators/technicians and patients.

The full report of the proposed project is available for inspection during working hours at:

- (d) Principal Secretary, Ministry of Environment, Climate Change and Forestry, NHIF Building, 12th Floor, Ragati Road, Upper Hill, P.O. Box 30126-00100, Nairobi.

THE ENVIRONMENTAL MANAGEMENT AND
CO-ORDINATION ACT

(No. 8 of 1999)

NATIONAL ENVIRONMENT MANAGEMENT AUTHORITY

ENVIRONMENTAL IMPACT ASSESSMENT STUDY REPORT
FOR THE PROPOSED CONSTRUCTION OF A HOSPITAL ON
PLOT L. R. NO. NAIROBI/BLOCK 196/986 ALONG LIMURU
ROAD IN ROSSLYN AREA, NAIROBI CITY COUNTY

INVITATION OF PUBLIC COMMENTS

PURSUANT to section 59 of the Environmental Management and Co-ordination Act, 1999, the National Environment Management Authority (NEMA) has received an Environmental Impact Assessment Study Report for the above proposed project.

The proponent, Colombia Africa Healthcare Limited proposes to construct one block (Basement, Ground plus two floors) hospital comprising of 152 No. inpatient beds, 25No. outpatient departments

(OPDs), a dedicated center for preventive health with master health checkup services, specialized units for dialysis, chemotherapy and maternity, Intensive Care Unit (ICU), Neonatal Intensive Care Unit (NICU), High Dependency Unit (HDU) associated facilities and amenities. The hospital will also offer supporting services such as blood banking and advanced medical data management. The project will be located on Plot L. R. No. Nairobi/Block 196/986, along Limuru Road in Rosslyn Area, Nairobi City County.

The following are the anticipated impacts and proposed mitigation measures:

| <i>Impact</i> | <i>Mitigation Measures</i> |
|---|---|
| Loss of biodiversity | <ul style="list-style-type: none"> • Design and implement an appropriate landscaping and tree planting program to help revegetate part of the project area after construction using potential natural vegetation. • Ensure proper demarcation and delineation of the project area to be affected by construction works. • Preserve trees/vegetation inside the plot where possible. • Plant appropriate locally adapted species outside the built-up areas. • Introduction and maintenance of appropriate vegetation in open spaces and around the site. |
| Increased solid waste and liquid waste generation | <ul style="list-style-type: none"> • Construct different waste disposal pits for biodegradable organic waste and another for non-biodegradable waste with appropriate shed/cover to prevent accumulation of rain/flood water. • Ensure proper disposal and separation of construction waste in the contractor's yard (off the site). • Engage services of a registered NEMA waste handler to dispose of the waste at designated disposal sites. • During the transportation of building materials and waste, trucks should be covered to prevent littering on the road. • Sensitize workers on the reuse of materials where appropriate. • Ensure that construction materials left over at the end of construction work is used in other projects rather than being disposed of as waste. • Ensure that damaged or wasted construction materials, including cabinets, doors, plumbing and lighting fixtures, marbles, and glass, will be recovered for refurbishing and use in other projects. • Donate recyclable/reusable or residual materials to local community groups and institutions for repurposing. • Use of durable, long-lasting materials that will not need to be replaced as often, thereby reducing the amount of construction waste generated over time. • Provide facilities for proper handling and storage of construction materials to reduce the amount of waste caused by damage or exposure to biophysical elements. • Use building materials that have minimal or no need for packaging to avoid the generation of excessive packaging waste. • As provided for by the Building Code, a portable toilet/pit latrine will be provided on-site to be used by construction workers. |

| | | |
|--------------------------------|---|---|
| Occupational safety and health | <ul style="list-style-type: none"> • Implement all necessary measures to ensure health and safety of workers and the general public during the construction phase as stipulated in Occupational Safety and Health Act (OSHA), 2007. • Initiate annual occupational safety audits and risk assessments through Directorate of Occupational, Safety and Health Services (DOSHS) approved auditors. • Undertake planned maintenance (PPM) schedules for construction machines, tools, and equipment. E.g., hoists, ladders. • Register the construction site with DOSHS. • Use signage to warn staff and/ or visitors that are not involved in construction activities around risk areas. • Clear marking of work site hazards and training in recognizing hazard symbols. • Keep the site cordoned off from unauthorized persons. • Provide full first aid kits at the construction site office. • Supervision of works shall be done regularly to ensure that safety conditions are met while any deviation from safety regulations is immediately reclaimed following the best practices regarding safety at work. • Staff working in dust generating activities, e.g., site preparation, excavation, concrete mixing, stone dressing, should be provided with personal protective equipment (PPE). The use of PPE shall be enforced. | <ul style="list-style-type: none"> • The use of hearing protection gears by workers when exposed to noise levels above 85 dB(A). • Ensure that all generators and heavy-duty equipment are insulated or placed in enclosures to ensure ambient noise levels. • Increased vegetation cover and available perimeter wall will act as containment for noise • Convenient location of backup generator, away from residential neighborhoods vicinity. • Use sound deflectors to minimize noise from the generator. • Routine service of the back-up generator to increase the efficiency of fuel burning. • Installation of signage in appropriate places such as high human activity points to remind people to observe silence. |
| Air pollution | <ul style="list-style-type: none"> • Site Hoarding/netting to contain dust within site. • Ensure strict enforcement of on-site speed limit regulations. • Dust suppression with water-sprays during the construction phase on dusty areas. • Sprinkle water on graded access routes when necessary to reduce dust generation by construction vehicles. • Careful screening of construction site to contain and arrest construction-related dust. • Personal Protective Equipment (PPE) to be worn at all times. • Construction materials on site to be covered to prevent them from being blown off by the wind. • Vehicle idling time shall be minimized. • Alternatively fueled construction equipment shall be used where feasible. • Equipment shall be properly tuned and maintained. • Sensitize truck drivers to avoid unnecessary racing of vehicle engines at loading/offloading points and parking areas, and to switch off or keep vehicle engines off at these points. | <p>Increased soil erosion</p> <ul style="list-style-type: none"> • Roof water shall be harvested and stored in a reservoir for reuse. • Proper installation of the storm water drainage system. • Ensure efficiency of drainage structures through proper design and maintenance. • Provide gratings to the drainage channels. • Ensure management of excavation activities. • Control activities especially during rainy seasons. • Provide soil erosion control and conservation structures where necessary. • Install cascades to break the impact of water flowing in the drains. • Compact loose soils to minimize wind erosion. • A storm water management plan that minimizes impervious area infiltration by use of recharge areas. <p>Chemical waste</p> <ul style="list-style-type: none"> • Will be collected and segregated at generation /source in yellow colored non chlorinated bags, which will have address and license number of the common waste treatment and will be stored in Biomed waste storage room for further disposal as per NEMA guidelines. • Disposed of by incineration or Plasma Pyrolysis or Encapsulation in hazardous waste treatment, storage and disposal facility. • As per local guidelines and norms. <p>Radioactive waste</p> <ul style="list-style-type: none"> • Radioactive waste to be stored in approved bags and containers. • The waste to be handed over to authorized common treatment facility for further disposal. • Storage is by means of Radioactive decay by storing for a longer period and to be handed over to authorized storage companies. |
| Noise pollution | <ul style="list-style-type: none"> • Construction is restricted to between 8 a.m. to 5 p.m. on weekdays and 8 a.m. – 1 p.m. on Saturdays. • Noise is limited to 60 Db during the day as stipulated in the Second Schedule–Maximum Permissible Noise Levels for Construction Sites of Environmental Management and Co-ordination (Noise and Excessive Vibration Pollution Control) Regulations, 2009. | <p>Infectious and potentially infectious waste</p> <ul style="list-style-type: none"> • Will be collected and segregated at generation /source in red colored non chlorinated bags, which will have address and license number of the common waste treatment facility provider and will be stored in Biomed waste storage room for further disposable as per NEMA guidelines. • Pre-treatment to sterilize with non-chlorinated chemicals on-site as per the World Health Organization guidelines thereafter transfer for Incineration. |

- Pathological waste/ anatomical waste
- Will be collected and segregated at the generation source in red colored non chlorinated bags, which will have address and license of the common waste treatment facility provider and will be stored in Biomed waste storage room for further disposal as per NEMA guidelines.
 - Incineration or Plasma Pyrolysis or deep burial as per the local guidelines and norms.
- Traffic disruption along Limuru Road
- Schedule delivery of materials during non-peak hours.
 - Adhere to load carrying capacity stipulated by the Traffic Act Cap 403.
 - Reliance and implementation of the Traffic Management Plan.
- Traffic disruption
- To reduce queue time and lengths, provide an acceleration and deceleration lane along Limuru Road.
 - Implementation of the traffic management plan.
 - No parking along the external roads.
 - Adequate parking spaces provided on site.
 - Dropping and pickups to occur on site.
- Hazardous waste
- Will be collected and segregated at generation /source in red colored non chlorinated bags, which will have address and license number of the common waste treatment facility provider and will be stored in Biomed waste storage room for further disposable as per NEMA guidelines.
- Increased water and energy demand
- Utilization of natural light as much as possible during the day.
 - Consideration of water harvesting and alternative sources such as bore holes to reduce the overreliance of Nairobi Water and Sewerage Company (NCWSC) water.
 - Timely repair of any leaking water faucets.
 - Install appropriate Building Management Systems to minimize energy use or demand.
- Insecurity
- Engage services of security guards.
 - Install CCTV cameras.
 - Place hotline numbers on strategic places.
 - Sensitize the staff on security precautions.
 - Install security lights in strategic places around the compound preferably with automatic on/off sensors.
 - Secure the site with a perimeter wall and screening of all people visiting the hospital at all points of entry and exit.
 - Discourage idling activities at points of entry or exit.

The full report of the proposed project is available for inspection during working hours at:

NATIONAL ENVIRONMENT MANAGEMENT AUTHORITY
ENVIRONMENTAL IMPACT ASSESSMENT STUDY REPORT
FOR THE PROPOSED RESIDENTIAL APARTMENTS ON PLOT
L.R. NO. 1870/VI/193 ALONG EAST CHURCH ROAD IN
WESTLANDS, NAIROBI CITY COUNTY

INVITATION OF PUBLIC COMMENTS

PURSUANT to section 59 of the Environmental Management and Co-ordination Act, 1999, the National Environment Management Authority (NEMA) has received an Environmental Impact Assessment Study Report for the above proposed project.

The proponent, Lovi Ventures Kenya Company Limited proposes to develop a residential block of three basements floors and ground floor for parking space, and 1st to 19th floors comprising of 399 No. residential apartments (76 No. one bedroom units, 266 No. two bedroom units, 57 No. three bedroom units), perimeter wall with entry/exit gates, lifts and staircases, associated facilities and amenities. The proposed project will be located on plot L.R. No. 1870/VI/193, along East Church Road in Westlands, Nairobi City County

The following are the anticipated impacts and proposed mitigation measures:

| <i>Impacts</i> | <i>Mitigation Measures</i> |
|--|---|
| Soil disturbance | <ul style="list-style-type: none"> • Control earthworks and compact loose soils. • Landscaping shall be done on project completion. • Control and manage excavation soils. • Provide soil erosion control and conservation structures. |
| Changes in land use-extent | <ul style="list-style-type: none"> • Plant vegetation after project completion including along plot boundaries. • Ensure compliance with existing planning policy. • The project shall be approved by the relevant government bodies before commencement. |
| Changes in hydrology/ impended drainage/deep excavations | <ul style="list-style-type: none"> • Proper Installation of drainage structures. • Ensure efficiency of drainage structures through proper design and maintenance. • Provide gratings to the drainage channels. • A geotechnical survey shall be conducted and the recommendations thereof followed. There shall be no blasting during excavation. • A methodology for excavation shall be generated as required by National Construction Authority prior to excavation. |
| Air pollution | <ul style="list-style-type: none"> • Enclose the site with dust-proof net during construction. |

| | | |
|---|--|---|
| Noise pollution | <ul style="list-style-type: none"> Water should be sprayed during the construction phase of excavated areas during dry conditions. Control speed and operation of construction vehicles. Prohibit idling of vehicles. Ensure sound condition of construction machinery and equipment. Engage sensitive construction workers. Erect suitable barriers to control noise. Sensitize drivers of construction machinery on effects of noise. Construction activities to be restricted to daytime. Workers in the vicinity of or involved in high-level noise to wear safety and protective gear. | <ul style="list-style-type: none"> Adapt effective emergency response plans. Maintain/service firefighting machinery regularly. Provide emergency numbers at strategic points. |
| Increased water demand | <ul style="list-style-type: none"> Recycling of water at the construction phase where possible. Make use of roof catchments to provide water i.e. for general purpose. An alternative water source shall be provided. The proponent shall drill a borehole at the proposed site. | <p>Water quality and sewerage infrastructure</p> <ul style="list-style-type: none"> The design of the entire sewerage system should consider the estimate discharges from individual sources and the cumulative discharge of the entire project even during peak volumes. Ensure effluents are discharged responsibly to the sewerage system. The proponent shall seek approval from Nairobi City County Water and Sewerage Company (NCWSC) before connecting to the existing public mains. Monitor quality of wastewater to ensure compliance with the Environmental Management and Co-ordination (Water Quality) Regulations, 2006 and other relevant Laws. |
| Increased energy demand | <ul style="list-style-type: none"> Power supply requirements shall be calculated and shared with Kenya Power and Lighting Company (KPLC) as is the requirement. A dedicated transformer for the entire project shall be a consideration. Alternative power sources (solar) shall also be considered. Use methods that control climate change. | <p>Waste management</p> <ul style="list-style-type: none"> During construction phase, designate an area for temporarily holding waste materials. All wastes should be disposed of in accordance with the Environmental Management and Co-ordination (Waste Management) Regulations, 2006 and other relevant Laws. Segregation of wastes at the source for ease of handling and disposal. Contract a NEMA licensed waste transporter to transport solid waste from the proposed site during construction and occupation phases. |
| Public health, occupational health and safety | <ul style="list-style-type: none"> Train staff/workers on occupational health and safety. Provide full protective gear and workmen's compensation cover in addition to the right tools and operational instructions and manuals during construction. Design of sewerage system should be as provided in the plans and should be constructed to approved size and design, standard and of approved materials. Ensure use of standard construction materials and to the specifications. Avoid undesirable, substandard, hazardous or unauthorized materials during construction and maintenance. Sensitized staff on social/health issues such as drugs. Post strategically the Occupational Safety and Health Act, 2007 Abstract. Post clear warning signs e.g. 'No unauthorized use of machines', ensure there are guards on moving parts etc. Provide fully equipped First Aid kits and train staff on its use. The site will be registered by the ministry of labor as a workplace. | <p>Security and social impacts</p> <ul style="list-style-type: none"> Provide security guards, CCTV cameras, security lighting and other security apparatus during the entire project cycle. Construction work timings shall only in line with the NEMA licensing conditions. <p>Traffic management</p> <ul style="list-style-type: none"> The proponent has conducted a traffic Impact Assessment study and generated a traffic management plan. The Traffic management plan shall be followed throughout the project cycle. |
| Fire safety and preparedness | <ul style="list-style-type: none"> Conduct training on firefighting, evacuation and emergency response. THE ENVIRONMENTAL MANAGEMENT AND
CO-ORDINATION ACT

(No. 8 of 1999)

NATIONAL ENVIRONMENT MANAGEMENT AUTHORITY

ENVIRONMENTAL IMPACT ASSESSMENT STUDY REPORT
FOR THE PROPOSED RESIDENTIAL APARTMENTS ON PLOT
L.R. NO. NAIROBI/BLOCK 34/149 IN PARKLANDS
NAIROBI CITY COUNTY

INVITATION OF PUBLIC COMMENTS

PURSUANT to section 59 of the Environmental Management and Co-ordination Act, 1999, the National Environment Management Authority (NEMA) has received an Environmental Impact Assessment Study Report for the above proposed project.

The proponent, Tsavo Premier Limited proposes to develop a residential block consisting of two basements for parking space, ground floor (commercial and residential spaces) and 1st to 17th floors comprising of 629 No. residential apartments (357 No. studios, 68 No. superior studios, 17 No. convertibles, 34 No. one bedroom apartments 153 No. junior studios), perimeter wall with entry and exit gates, lifts and staircases, associated facilities and amenities. The proposed project will be located on plot L.R. No. Nairobi/Block 34/149 in Parklands, Nairobi City County.

The following are the anticipated impacts and proposed mitigation measures:

| <i>Impacts</i> | <i>Mitigation Measures</i> |
|--|---|
| Soil disturbance | <ul style="list-style-type: none"> Control earthworks and compact loose soils. Landscaping shall be done on project completion. Control and manage excavation soils. Provide soil erosion control and conservation structures. |
| Changes in land use- extent | <ul style="list-style-type: none"> Plant vegetation after project completion including along plot boundaries. Ensure compliance with existing planning policy. The project shall be approved by the relevant government bodies before commencement. |
| Changes in hydrology/ impended drainage/deep excavations | <ul style="list-style-type: none"> Proper installation of drainage structures. Ensure efficiency of drainage structures through proper design and maintenance. Provide gratings to the drainage channels. A geotechnical survey shall be conducted and the recommendations thereof followed. There shall be no blasting during excavation. A methodology for excavation shall be generated as required by NCA prior to excavation. |
| Air pollution | <ul style="list-style-type: none"> Enclose the site with dust-proof net during construction. Water should be sprayed during the construction phase of excavated areas during dry conditions. Control speed and operation of construction vehicles. Prohibit idling of vehicles. Ensure sound condition of construction machinery and equipment. Engage sensitive construction workers. |

| | |
|---|---|
| Noise pollution | <ul style="list-style-type: none"> Erect suitable barriers to control noise. Sensitize drivers of construction machinery on effects of noise. Construction activities to be restricted to daytime. Workers in the vicinity of or involved in high-level noise to wear safety and protective gear. |
| Increased water demand | <ul style="list-style-type: none"> Recycling of water at the construction phase where possible. Make use of roof catchments to provide water i.e. for general purpose. An alternative water source shall be provided. The proponent shall drill a borehole at the proposed site. |
| Increased energy demand | <ul style="list-style-type: none"> Power supply requirements shall be calculated and shared with KPLC as is the requirement. A dedicated transformer for the entire project shall be a consideration. Alternative power sources (solar) shall also be considered. Use methods that control climate change. |
| Public health, occupational health and safety | <ul style="list-style-type: none"> Train staff/workers on occupational health and safety. Provide full protective gear and workmen's compensation cover in addition to the right tools and operational instructions and manuals during construction. Design of sewerage system should be as provided in the plans and should be constructed to approved size and design, standard and of approved materials. Ensure use of standard construction materials and to the specifications. Avoid undesirable, substandard, hazardous or unauthorized materials during construction and maintenance. Sensitized staff on social/health issues such as drugs. Post strategically the Occupational Safety and Health Act, 2007 Abstract. Post clear warning signs e.g. 'No unauthorized use of machines', ensure there are guards on moving parts etc. Provide fully equipped First Aid kits and train staff on its use. The site will be registered by the ministry of labour as a workplace. |
| Fire safety and preparedness | <ul style="list-style-type: none"> Conduct training on firefighting, evacuation and emergency response. Sensitize the residents on fire risks i.e. conduct regular fire drills. Adapt effective emergency response plans. Maintain/service firefighting machinery regularly. Provide emergency numbers at strategic points. |
| Water quality and sewerage infrastructure | <ul style="list-style-type: none"> The design of the entire sewerage system should consider the estimate discharges from individual sources and the cumulative discharge of the entire project even during peak volumes. Ensure effluents are discharged responsibly to the sewerage system. |

- The proponent shall seek approval from NCWSC before connecting to the existing public mains.
 - Monitor quality of wastewater to ensure compliance with the Environmental Management and Co-ordination (Water Quality) Regulations, 2006 and other relevant Laws.
- Waste management
- During construction phase, designate an area for temporarily holding waste materials.
 - All wastes should be disposed of in accordance with the Environmental Management and Co-ordination (Waste Management) Regulations, 2006 and other relevant Laws.
 - Segregation of wastes at the source for ease of handling and disposal.
 - Contract a NEMA licensed waste transporter to transport solid waste from the proposed site during construction and occupation phases.
- Security and social impacts
- Provide security guards, CCTV cameras, security lighting and other security apparatus during the entire project cycle.
 - Construction work timings shall only in line with the NEMA licensing conditions.
- Traffic management
- The proponent has conducted a traffic Impact Assessment study and generated a traffic management plan.
 - The Traffic management plan shall be followed throughout the project cycle.

The full report of the proposed project is available for inspection during working hours at:

- (m) Principal Secretary, Ministry of Environment, Climate Change and Forestry, NHIF Building, 12th Floor, Ragati Road, Upper Hill, P.O. Box 30126-00100, Nairobi.

**IMPORTANT NOTICE TO SUBSCRIBERS TO
THE KENYA GAZETTE**

THE following notes are for the guidance of persons submitting "copy" for inclusion in the *Kenya Gazette, Supplement*, etc.:

- (1) *The Kenya Gazette* contains Notices of a general nature which do not affect legislation. They are, therefore, submitted to the Government Printer directly.
- (2) *Legislative Supplement* contains Rules and Regulations which are issued by the National or County Governments. Because of this, they must be submitted to the Government Printer through the office of the Attorney-General.
- (3) *Bill Supplement* contains Bills which are for introduction in the National Assembly, Senate or County Assemblies.
- (4) *Act Supplement* contains Acts passed by the National Assembly, Senate or County Assemblies.

All "copy" submitted for publication should be prepared on one side of an A4 sheet no matter how small the Notice is, each page being numbered and should be typed with double spacing. Copy should be clear, legible and contain no alterations.

Particular attention should be paid to the following points:

- (i) Signature must be supported by rubber-stamping or typing the name of the signatory in capital letters.
- (ii) Must be correct and filled in where necessary.
- (iii) Care should be taken to ensure that all headings to Notices and references to legislation are up to date and conform with the Revised Edition of the Laws of Kenya.

EXTRACT FROM THE HUMAN RESOURCE POLICIES AND PROCEDURES MANUAL FOR THE PUBLIC SERVICE —

Kenya Gazette

A.30 (1) All communication for publication in the *Kenya Gazette* should reach the Government Printer not later than Friday of the week before publication is desired.

(2) A State Department will be required to meet the cost of advertising in the *Kenya Gazette*.

It is emphasized that these notes are for guidance only, but it is requested that persons submitting copy for publication first satisfy themselves that such copy is complete in every respect.
